

Honouring the Fatherhood of God

www.missionofgodthefather.org

Friday 7th August 2015

God the Father said to Mother Ravasio Eugenia:

*"I want all My creatures to be convinced that there is a Father Who is watching over them." (p92)**

*I desire to be known, loved and honoured by a special kind of homage." (p93)**

God the Father requested this:

*"That one day may be consecrated to honouring Me in a particular way... I choose the first Sunday in August...[or] the 7th August." (p97)**

*"Call me by the name of 'Father', call upon Me with confidence and love, and you will receive everything from the Father, with love and mercy." (p90)**
